

Andrea,

People who need people...

Andrea, I just had a thought (and I
thought I'd share it with you) about
the people who need people. I think
it's those who are lonely, who are
sad, who are in pain, who are
in need of love, who are in need
of help, who are in need of a friend.
I think it's those who are in need
of someone to listen to them, to
understand them, to love them, to
help them. I think it's those who
are in need of someone to be with
them, to share their life with them,
to be their friend, to be their family.
I think it's those who are in need
of someone to love them, to be
loved by them, to be their heart.
I think it's those who are in need
of someone to be their strength, to
be their courage, to be their hope.
I think it's those who are in need
of someone to be their light, to be
their joy, to be their peace. I think
it's those who are in need of someone
to be their everything. I think it's
those who are in need of people.

Andrea -
 hasn't English
 been fun. you
 know this is the
 only class we have
 together. Maybe we'll
 have some more next
 year and I'll get to know
 you a little better. Oh I

Forest Ridge is but a member
of a family of world-wide fame.
And yet to us you're the dearest
of any that bear that name.

'Tis to you that each of us present
in a family forms a part
and each one holds the title of a
"Child of the Sacred Heart."

Let us pledge ourselves to be faithful
and ne'er from our standards depart.
Let us promise to be forever
true Children of the Sacred Heart.

Dear ...
I have been thinking about you a lot lately, and how much I have enjoyed our time together. I hope you are well and happy. I have been busy with work, but I always find time to think of my friends. I would love to hear from you soon. Please write back when you have a chance. I am looking forward to seeing you again. Love, [Name]

2 gone and 2 to go! We can make the best of them(?). Will get ready 'cuz I'm gonna write alot of little things... remember - pop- and sintro duty at Paige's house? That "so called party" at the canal? I still would have rather stayed instead of going to vroom-vroom- Bill's house! This summer we can drive to Chelan, Canal, the beach - just everywhere! Remember "right moves" & the Red light, Benjamin's w/ the mouse we didn't eat & the check we just barely couldn't pay? "Can we just order a salad?" "Oh, we just came for desert!" ~~but~~ "Let's Book." Remember rearranging the rocking so you could get the mo. thru? (I guess Lynn should have moved it for you, maybe you wouldn't have popped the tire then! Remember - funny Perry's & 3 candy bars? The "pig party" & tipping over in the canoe. "What's your phone #?" "Do you like Seals & Crofts?" "Do you like Hall & Oates?" "Do you want to go to Alro Smith?" Can I - - ? NO! Remember New Year's & going back & forth from your nurse to Nyharts then to Lincoln's - then, well you know, you spent the rest of the night in the bath room. Chris & Johnny were listening to you & they went outside by the window to listen too! Remember the july bean hunt in Chelan & the chocolate stars? The food puzzle! Our picnic at the park in freezing cold weather. Reading a book w/ the wall hangings. Bring the Statue of Liberty w/ our torches - writing the letter to Lynn until 4 am. getting you up ~~one~~ on one ski! - on the way home from the ravine, "Margaret I think I'm gonna get sick!" The party at Lisa's - dragging me down the hall, falling on the floor when you threw your ice out! Greg & unplugging the phone, the thing on top of the phone booth - you were a zombie that night! Playing basketball w/ Greg & his torch! Leech! remember? she followed us Everywhere! Binson & Klemmer on Halloween, "Hey kid, watch it kid!" the mask & the gun! Beach Boys, EW & "I lost my picture" you me & Lynn & Tom trying to fix the logs in your driveway & allman throwing up in your living room! Driving the Toyota & blazer - your blazer up to the church..... J-heads - weather - rain, snow, flood! SNL Remember the drive-in at the Canal (every night!) Ken & you & Lewis - then all of a sudden Tim & me - I was totally stuck in his stupid car! Jackie & her helpful hints. O'Dea & her tantrums! rolly-polly Katz & her charts - Dion & his beard - you getting a "D" in P.E. The canoe in the Congi - those stupid ducks! "I touched the bridge!" Calling someone at some hour. "Let's make rice!" That guy chasing me when we were on our bikes on the Blvd. - Spilling your drink on the floor! Dancing like retards at Lisa's. Our "out of uniform notes!" Monty Python - hitting Johnny's car! Kite flying on the beach - Lisa driving the blazer at the Canal. - flying kites at the fort -)

when yours was mutilated. eating choc. covered cheerios at 505.
on the Sacred Heart parking lot w/ that huge Doberman! That
1st + last O'Dia dance when Johnny & ~~the~~ Chris drove us "no that girl
has some"... coming home the day after New Years + not eating a
thing - being in our pajamas when Lynn wanted to go back to
the party! Raymond & his Austin w/ EWRT playing! going to the
Kitsap Fair - feeling sooo sick. - In the ravine - moving all over the
place up the hill down the hill to the top then to Catherine's -
we were the life of the party! The yellow house at the canal - that was
soooo fun I wish those people didn't move in or else we could
have it this year! going on the porch at 3am + Joan's outside
working around. By the fire pit w/ Chris + Johnny - "hey big Pete!"
"easy big fella." "Oh, I got a real bargain on this one.!"

People who need people...

Will I hope we don't flunk dr. Ed. w/ Penny. The final will be a
doozy -! - well maybe I better go since I've wasted enough of your
paper already - 76-77 was fun but 77-78 will be better!

P.S. remember water skiing in ~~then~~ thunder + lightning + the
lady of the lake waves?!

Love, mag. '77

Dear Jennifer Hagermeister

It was so fun at Sherwood Forest with you. I very
much enjoy your charming sense of humor, your heart warming
smile, and deep and fervent faith in God. Next year, we will
have to play more often. Maybe this summer too. Congratula-
tions on graduating from Sherwood Forest special education
center, it really is a big step. Now, go to the table and put
your head down, you'll just have to miss out. Don't disappoint
me by being too good this summer. Love Shula Elbert
